

# INVITATION

C40 Cities, EIT Climate-KIC, the Confederation of Danish Industry and the Danish Association of Architectural Firms would like to invite you to the **opening of the Reinventing Cities Exhibition.**

**9 October 2019 from 4-5pm**

**At the Confederation of Danish Industry**

H.C. Andersens Blvd. 18, 1787 København V

Reinventing Cities is an innovative global competition that unlocks underutilised spaces to transform them into inspiring models for a decarbonised and resilient urban future

The exhibition will display models and materials from a selection of the greatest winning projects. The convivial opening will bring together cities representatives, winning teams and more! See you there!
